Experience

A1A SOFTWARE

Fernandina Beach, FL

QA Tester/App Submission Assistant

April 2021 – Current

- Testing company apps to make sure UI and Performance still meets a level of acceptance
- Doing routine QA on in-work apps and write JIRA tickets explaining issues/bugs
- Building and submitting company apps to iOS, Android, and Windows Store when needed
- Training in progress: diagnosing and fixing JIRA ticket issues

A1A SOFTWARE

Fernandina Beach, FL

Junior Developer

July 2019 – Current

- Updating a static HTML page that maintains the list of items available to the user
- Expanding the options available to users on an ASP.NET page
- Redesigning feature pages for company products

A1A SOFTWARE

Fernandina Beach, FL

Data Entry Manager

January 2015 – January 2020

- Overseeing the daily function of the department
- Delegating customer requests or issue tickets to team members

Recent Projects

[RMNP Quiz | GitHub](#): A quiz app that tests the user's knowledge on Rocky Mountain National Park. Built with JavaScript, HTML5 and CSS3.

[Trail Finder | GitHub](#): A search application that helps the user find trails in a specific area. Built with JavaScript, HTML5 and CSS3.

[Noteful | GitHub](#): A task management app that allows the user to create folders and notes within those folders. Built with React.

Education

THINKFUL

March 2019 - November 2019

Full-Stack Web Development Program / Engineering Immersion

- Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, jQuery, Node.js, React, Redux, and algorithms & data structures.
- Created and deployed mobile-first applications while learning new languages and frameworks by collaborating several hours every week with a senior web developer.

VALENCIA STATE COLLEGE

Associates in Arts, Engineering

January 2010 - December 2013
